TASK 8

A home town is the place where a person was born and lived as a child. For some people it's a big and vibrant city, for others – a small and quiet town or a picturesque village in the countryside. **Speak about your home town.**

Follow this plan

- Briefly describe your home town. What is it like?
- Name your favourite places to go to in your home town. Why do you like them?
- Is your home town good for living or would you like to move somewhere else in the future? Why?

Do not forget to include an opening and closing comment.

You now have **1 minute** to think about what you want to say.

Then speak for **2-3 minutes** continuously about your home town.

YOUR MONOLOGUE WILL BE RECORDED
